Wednesday, September 4th, 2019

8:00 am

Robotti & Company
60 E. 42nd Street, Suite # 3100

RSVP to Brian Weber (bweber@robotti.com)

or

Susan Kaplan (skaplan@robotti.com)

John Evans has been Chief Operating Officer of Subsea 7 since July 2005. John started his career in the oil and gas engineering and contracting sector in 1986, working with Kellogg Brown & Root (KBR). During 18 years with KBR he gained a successful record in general management, commercial and operational roles in the offshore oil and gas industry. Prior to joining Subsea 7, between 2002 and mid-2005 John was Chief Operating Officer for KBR's Defense and Infrastructure business in Europe and Africa. John has a Bachelor of Engineering degree in Mechanical Engineering from Cardiff University, is a Chartered Mechanical and Marine Engineer and a Chartered Director.

Subsea 7 S.A. is one of the world's leading global contractors in seabed-to surface engineering, construction, and services to the offshore energy industry. Subsea 7 S.A. provides technical solutions to enable the delivery of complex projects in all water depths and challenging environments. The company operates one of the world's most versatile fleets comprising high specification pipe lay, construction, remote intervention and diving support vessels.
